

SATPAC Speech  
458 W. San Ramon #102  
Fresno, CA 93704-2366

## Remediating the 7 Most Common Error Sounds Using the SATPAC Approach

Instructor:

**Stephen Sacks  
M.A., CCC-SLP**

**2018 Workshops**

**4-12,13 Elk Grove  
4-27 Norco  
4-28 Anaheim/Cypress**

**8:30-3:30**

### Course Objectives

- To learn an efficient, systematic way to do articulation/phonology therapy with emphasis on the /r/ and /s/ sounds
- To learn the necessary prerequisite oral-motor skills
- To learn nonsense consonant-vowel combinations based upon facilitating contexts into CVCCVC contexts using coarticulation
- To learn how to transfer developed skills into real phrases, sentences and conversation

### Learning Outcomes

*The workshop is designed to train the SLP to:*

- Explain the rationale for and explain how to achieve stabilization of the lips, jaw and tongue
- Identify the 3 phases of the SATPAC Program, what each phase involves and the rationale for each phase
- Develop individualized articulation and phonology disorders treatment plans using the SATPAC Approach
- Develop specific treatment programs using case studies

### ASHA CEUs

	<p>SATPAC Speech is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.</p>
---------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

This course is offered for .6 ASHA CEUs  
(Intermediate level, Professional area).

"SATPAC is an amazing resource."

-Pam Marshalla

"SATPAC is a valuable tool..."

-Wayne A. Secord, Ph.D

SATPAC is an evidence-based computer program incorporating facilitating contexts, coarticulation and natural prosody. The program generates customized lists of non-words as well as real phrases and sentences leading to rapid remediation as shown in peer-reviewed studies due to the systematic nature of the lists.

## Workshop Comments

"What a great time saver."

"This was probably the clearest, most functional presentation on artic./phonology I've seen in recent memory."

"I can't imagine improving on the info today."

"Too bad all workshops aren't this helpful."

"This was a great in-service."

"Your training was fabulous!"

"Wow, what a lot of work and thought you put into this program."

"What a useful product and approach."

"What a contribution to our field!"

"Great system. I have used it with success."

## About Stephen Sacks

■ Stephen has 37 years experience as a schools' SLP and is the developer of the SATPAC Approach to remediation of articulation/phonology disorders.

■ He is the 2011 recipient of the ASH Foundation Van Hattum Award for outstanding commitment and contribution in the schools.
