Using the SATPAC Program and Approach to Remediate Speech Sound Disorders-Part 1

(An Introduction to the SATPAC
Program and Approach and
Remediating the /s/ Sound)

Instructor:

Stephen Sacks
M.A., CCC-SLP

Live Webinar
1/30/26
9:00 AM to 12:15 PM

All times are Pacific Time Zone.

Course Objectives

- To learn an efficient systematic way to remediate the most common speech sound disorders
- To learn appropriate facilitating contexts for the /s/ sound and their rationale.
- To learn how to transfer the SATPAC Approach to conversational speech

Learning Outcomes

The workshop is designed to train the SLP to:

- Understand the rationale for using the SATPAC Program and Approach as shown on the quiz
- Develop the ability to use the SATPAC Approach to systematically remediate the /s/ sound effectively and efficiently
- Develop individualized treatment plans using the SATPAC Approach to remediate the /s/ sound

ASHA CEUs

This course is offered for .3 ASHA CEUs (Intermediate level, Professional area). There is no charge for this webinar.

SATPAC Speech
458 W. San Ramon #102
Fresno, CA 93704-2366

About **SATPAC**

"SATPAC is an amazing resource."

-Pam Marshalla

"SATPAC is a valuable tool..."

-Wayne A. Secord, Ph.D

SATPAC is an evidence-based computer program incorporating facilitating contexts, coarticulation and natural prosody. The program generates customized lists of non-words as well as real phrases and sentences leading to rapid remediation as shown in peer-reviewed studies due to the systematic nature of the lists.

Workshop Comments

"What a great time saver."

"This was probably the clearest, most functional presentation on artic./phonology I've seen in recent memory."

"I can't imagine improving on the info today."

"Too bad all workshops aren't this helpful."

"This was a great in-service."

"Your training was fabulous!"

"Wow, what a lot of work and thought you put into this program."

"What a contribution to our field!"

"Great system. I have used it with success."
